S-line

Innovative technology

TAF + WPS

100% WATERTIGHT

S-line the perfect wall connection with innovative technology

Invisible and stylish wall drainage system from Easy Drain equipped with our patented TAF and WPS systems.

The TAF system has been specially developed to enable secondary drainage. The patented sealing membrane system (WPS) is pre-assembled. This way, a complete watertight installation and an efficient secondary drainage, when needed, is guaranteed.

Applicable in wooden, concrete floor constructions and shower boards. An easy to clean siphon is included. The S-line has a flexible wall connection for perfect installation.

10 year warranty

WPS technology - pre-assembled sealing membrane
